

Our exams are carried out through the British Safety Council who will issue your certificate following your online exam. Below is their terms and conditions which you will need to agree to in order to sit the exam.

Brit Safe means "British Safety Council".

You means "You" as the end user or exam taker.

Us or We or Ours means "The Right Training Company Ltd"

British Safety Council Online Qualifications System - Privacy Policy - June 2012

BRITISH SAFETY COUNCIL ONLINE QUALIFICATIONS SYSTEM WEBSITE PRIVACY POLICY

This privacy policy relates only to your use of the British Safety Council Online Qualifications System website (<https://qualifications.britsafe.org>) and our response to any requests or enquiries you make via it. If you have any requests concerning personal information or how Brit Safe or we comply with the Data Protection Act 1998, please contact us using the details noted in the Further Information section below.

We collect personal information from you through your use of the website and registration forms and every time you e-mail us your details. We process personal information collected via the website in order to:

- Provide you with personalised assessment materials
- Maintain a personalised log of activity
- Share information with the Qualifications Regulators about your completion of the assessment

Brit Safe or we may also collect information automatically about your visit to our site. This information includes demographic data and browsing patterns. Please refer to the section below relating to cookies. Any information of this kind is used in aggregate form only and none of the data includes any information that would enable you or any other individual to be identified. We use this information to:

- Monitor usage of the site
- Review product demand and as an aid to future development
- To access customer profile

Confidentiality and Security

Brit Safe or we have confidentiality and security policies and technical measures in place to protect your personal information.

Our use of cookies

The British Safety Council's website and ours uses "cookies", which are text files placed on your computer, to collect standard internet log information and visitor behaviour. This information generated by the "cookie" about your use of the website (including your IP address) is stored within the system. This information is then used to evaluate visitors' use of the website and to maintain your personalised activity log. It will be necessary for "cookies" to be enabled for you to use this web site.

Links to other websites

The British Safety Council's website may contain links to other websites of interest. However, once you have used these links to leave The British Safety Council's or our site, you should note that we do not have any control over that other website. Therefore, we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and such sites are not governed by British Safety Council Online Qualifications System - Privacy Policy - June 2012 or us

This privacy policy. You should exercise caution and look at the privacy policy applicable to the website in question.

Controlling your personal information

Brit Safe or we will not sell, distribute or lease your personal information to third parties, with the exception of the Qualifications Regulators unless we have your permission or are required by law to do so.

If you believe that any personal information we are holding on you is incorrect or incomplete or if you require further details of the personal information held in relation to you, please write to us at the address below or email us at the address noted below. We will promptly correct any information found to be incorrect and can provide a readable copy of the personal information we hold about you within one week, without charge.

Brit Safe or we will treat any personal information you have provided in accordance with the provisions of the Data Protection Act 1998.
